an opportunity to leave a lasting impression.

Our exclusive brands

An opportunity to leave a lasting impression

Making corporate gifts so attractive that you not only want to have them but also want to keep them. we believe that a gift is more than an object; it's a gesture of appreciation, a way to connect, and an opportunity to leave a lasting impression. That's why we've dedicated ourselves to providing premium merchandise and corporate gifts that are not only fun to give but also fun to keep!

Wear change

We understand the importance of minimising our impact on the environment. While it is true that all products have some degree of impact, we are dedicated to reducing this impact to the absolute minimum.

Our brand is on a mission to produce clothing that leaves the lightest ecological footprint possible.

Creating memories

Offering design that creates memories for life is what drives us. We're sure there are objects in your life that still awake strong feelings in you. The backpack you had on your favourite trip or the cast iron pan your family always made pancakes in. Our vision is to recreate these memories for you and generations to come by offering our customers Scandinavian design for home and leisure activities.

www.vinga.com

Designed with purpose

No matter the route, you set the pace and we keep up by designing products that are as useful and durable as they are environmentally friendly.

www.xd-design.com

Made with recycled materials

In our opinion, the use of more new materials is bad for the environment. Our design should be as minimalist as possible. We strive for a carbon footprint as low as possible, and developed a design that fits everyone's lifestyle.

Volonne

Introducing our Volonne collection: Tailored for laid-back outdoor moments and leisurely days. Each item is meticulously crafted from recycled canvas materials, blending 70% recycled cotton with 30% recycled polyester. The canvas in this series reuses coloured textiles to avoid an additional dyeing process, making it an even more responsible choice. Each bag features Aware™ tracer technology, ensuring genuine use of recycled materials.
